Happy New Year, everybody!

January is the coldest month of the year here in Beaufort, SC, but it's not too bad compared to our fellow boaters up north. Bonus points for still being able to get out on the water, while boats at higher latitudes sit on the hard, forlornly waiting for spring.

If you don't like boating in the cold, it's a great season to cross some of those never-ending projects off your list before the heat of summer arrives.

For those who are thinking about a winter getaway on your boat, contact us at 843-522-0430 for slip availability. We're located on well-protected Factory Creek and an easy walk across the bridge to downtown Beaufort!

January events (cont.)

1/20 and 1/21 - Beaufort's 4th Annual Oyster Festival: Come to the Annual Oyster Festival at Henry C. Chambers Waterfront Park! Enjoy traditional roasted oysters, steamed oysters, oysters on the half shell, and fried food trucks while listening to live entertainment! 10:00 a.m. - 6:00 p.m. Saturday; 11:00 - 4:00 Sunday.

Featured Local Business of the Month: Grayco

Here at Lady's Island Marina we like to think of Grayco as the "everything store." Need your boat's propane tanks filled? Grayco can do it while you wait! From hardware to home goods, marine supplies to coolers, you can spend several hours just wondering around. There's a good chance if they don't have it, you don't need it.

Locally owned and operated since 1961, Grayco's customer service is second to none. You'll never have to randomly roam the aisles looking for somebody to help you. In fact, there's an excellent chance that a friendly employee will come to assist you before you even knew you needed it.

Grayco is only a short 1/2 mile walk from the marina, or you can use our loaner truck for an hour to get what you need. Just stop in at our office to get more details.

Lady's Island is an Elite Fleet Marina for the fourth consecutive year!

We're so pleased to announce that Lady's Island was designed an Elite Fleet Marina by Dockwa/marinas.com. Boater's Choice marinas only reach the Elite Fleet tier with an average annual rating of 4.7 and at least ten reviews. We've been an Elite Fleet Marina since 2019 and it's our goal to keep that streak going for 2024 and every year thereafter!

Come stay with us for a night, a week, or longer and see why our marina is the only one in Beaufort to receive this award! You can make a reservation by calling us at 843-522-0430 or via Dockwa.
