Hooray for March!

There is something about the clock springing forward in March that makes it feel like winter is in the rear-view mirror. Between the later sunsets and the warmer temperatures, spring is definitely in the air here at Lady's Island Marina.

Another sure sign of spring is an increase in our transient traffic as boaters embark on their northern migration after spending the winter in the Bahamas or Florida. We love hearing about everyone's travels and seeing their excitement as they head back to their home port for the summer.

Be sure to call us for your reservation at (843) 522-0430 (or book it on Dockwa) to secure your spot on your travels north! We're looking forward to seeing you!

Monthly Classic Car & Truck Show

If you love classic cars and you're lucky enough to be staying with us on the second Friday of each

month, take a ten minute walk down to the parking lot at Grayco to check out the Beaufort Classic Car & Truck Club's monthly car show.

The show will be from 3:30 p.m. - 5:30 p.m. on March 8th, but once April arrives it will be from 5:00 p.m. - 7:00 p.m. and will include music and awards.

This writer randomly came upon it last month and had a wonderful time. The owners loved talking about their cars and answering questions. Go check it out - you won't be disappointed!
